Verse 2: Eight candles shine for the Maccabees.
 Eight candles shine for the Maccabees.
 The tyrant was routed with all of his men,
 And the temple made holy again.

Chorus: Dance the horah,
 Light the menorah,
 This is the time of joy.
 The road to freedom we take today
 With the Maccabees leading the way.

Verse 3: Eight candles shine for the Maccabees.
 Eight candles shine for the Maccabees.
 Hanukah's children will never forget
 The glory that shines for us yet.

(Chorus)
