

Funny Face

Music by Donna Fargo

Fun - ny face I love you Fun - ny face I need you, my
 whole world's wrapped up in you. When the
 I
 road I walk seems all up - hill and the
 hurt your feel - ings as I sometimes do and
 col - ors in my rain - bow turn blue You
 I say those mean things we know are not true You for -
 kiss the tears a - way you smile at me and say
 give my child - ish way you hold me close and say
 fun-ny face fun-ny face I love you Fun-ny face I love you fun-ny face I need you
 these are the sweet-est words I've ever heard fun-ny face don't leave me fun-ny face be-lieve me My
 whole worlds wrapped up in you And when you.
