

Deeper Places

W/M Gabriel Allred © 2009

(Verse 1)

G **Bm**
I give myself to You today to be completely swept away

and lost inside the glory of Your love

As deep calls unto deep, oh Lord my soul cries out for You alone
G **Bm**
Drowned within the river of Your heart

(Pre Chorus)

You bring Your life to my soul

I'm alive in You
G D/F# A Bm G
Let Your Kingdom shine through my life
D/F# A
I want more of You

(Chorus)

I wanna go to the deeper places, deeper places, Lord

to know the dreams of Your heart

I wanna find all the secret places, the hidden places, Lord

Till there's nothing left to know... (I'll be completely Yours) - into verse

Awaken every part of me the buried places I can't see
ignite my heart with love uncompromised

Your presence is my sole desire I long to burn with holy fire
And demonstrate Your power here on earth
