Repeat fade to finish

Maybe it's intuition  
 But some things you just don't question  
 Like in your eyes  
 I see my future in an instant  
 And there it goes  
 I think I've found my best friend  
 I know that it might sound more than a little crazy  
 But I believe

I knew I loved you before I met you  
 I think I dreamed you into life  
 I knew I loved you before I met you  
 I have been waiting all my life

There's just no rhyme or reason  
 Only this sense of completion  
 And in your eyes  
 I see the missing pieces  
 I'm searching for  
 I think I've found my way home

I know that it might sound more than a little crazy  
 But I believe

I knew I loved you...

A thousand angels dance around you  
 I am complete now that I've found you

I knew I loved you...
