Verse 2:

Well there's something inside that's making me crazy  
 I try to keep it together  
 'Cause baby what I think may not happen that way  
 Now could be forever and ever.

My heart is on fire *etc.*

Verse 3:

There's a mirror moving inside my mind  
 Reflecting the love that you shine on me  
 Just hold on to that feeling  
 Let it go, let it flow, oh.

My heart is on fire *etc.*
