Verse 2:

Take me to the place where you go
 Where nobody knows if it's night or day
 Please don't put your life in the hands
 Of a rock 'n' roll band who'll throw it all away.

I'm gonna start a revolution from my head
 'Cause you said the brains I had went to my head
 Step outside, the summertime's in bloom
 Stand up beside the fireplace, take that look from off your face
 'Cause you ain't never gonna burn my heart out.
