The instruction "(ad lib solo)" is written at the beginning of the system.

TRULY MADLY DEEPLY

I'll be your dream
 I'll be your wish, I'll be your fantasy
 I'll be your hope, I'll be your love
 Be everything that you need
 I'll love you more with every breath
 Truly, madly, deeply do
 I will be strong, I will be faithful 'cause I'm counting on

A new beginning
 A reason for living
 A deeper meaning

I want to stand with you on a mountain
 I want to bathe with you in the sea
 I want to lay like this forever
 Until the sky falls down on me

And when the stars are shining brightly in the velvet sky
 I'll make a wish, send it to heaven
 Then make you want to cry
 The tears of joy for all the pleasure in the certainty
 That we're surrounded by the comfort and protection of
 The highest powers
 In lonely hours
 The tears devour you

I want to stand with you on a mountain
 I want to bathe with you in the sea
 I want to lay like this forever
 Until the sky falls down on me
 Oh can you see it baby?
 You don't have to close your eyes
 'Cause it's standing right here before you
 All that you need will surely come
 I'll be your dream I'll be your wish
 I'll be your fantasy
 I'll be your hope, I'll be your love
 Be everything that you need
 I'll love you more with every breath
 Truly, madly, deeply do

I want to stand with you on a mountain
 I want to bathe with you in the sea
 I want to lay like this forever
 Until the sky falls down on me
