look at me that way. Then I tought may be I should walk right  
up to her and say, Ah-ha-ha, it's a game he likes to play.  
Look in-to his an - gel-eyes, one look and you're hyp - no-tized,  
he'll take your heart and you must pay the price. Look in-to his an - gel-eyes,  
you'll think you're in pa - ra-dise, and one day you'll find out he  
wears a dis - guise, don't look to deep in - to those an - gel-eyes.

Sometimes when I'm lonely I sit and think about him  
 And it hurts to remember all the good times  
 When I thought I could never live without him  
 And I wonder does it have to be the same  
 Every time when I see him, will it bring back all the pain?  
 Ah-ha-ha, how can I forget that name?
